PIONEER PASSES TO HER REWARD

Aged Mother of Mrs. Bish of Glen Ellen Dies at Venerable Age of 83 Years

Mrs. Martha Norris, one of the splendid pioneer mothers of 1859, who had made her home for the last nine years with her daughter, Mrs. Bish in Glen Ellen, passed to her reward last Saturday night.

Her death occured in Rincon Valley at the home of other relatives, with whom she was visiting. Mrs. Norris was a native of Indiana where she was born in 1832 and then emigrated to Missouri where she married.

Later, together with her husband and five children, she crossed the plains in an ox team enduring all the hardships of that Western migration with the patience and cheerful fortitude which characterized her entire long and useful life.

Deceased, while in failing health for the last five years has been faithfully ministered to by her devoted daughter, Mrs. Bish. Her death is mourned by several other children and a large circle of friends who remembered this venerable lady for the many kindly acts and lovable traits with which she was endowed.

The funeral took place Monday at Santa Rosa, Rev. Colvin officiating.

OUR SUPERVISOR DELIGHTS TROUT FISHERMEN

Harry Weise, our popular Supervisor, has won the hearts of all the local nimrods and lovers of angling by announcing that the 15,000 young trout, for planting the streams of his district, are to arrive at Kenwood next Monday.

The speckled beauties will be released in Adobe Canyon Creek, Bear Nap Canyon Creek, Blue Rock Creek, Nuns Canyon and Stewart Creek. This will make fishing good all over the valley and sportsmen will find their way to the pools and riffles in great numbers, when angle worms, grasshoppers, flies and other dainty morsels begun to attract the attention of the above-the-law size beauties, which will be when genial Harry's troutlets grow up.

The Fish and Game Commission has granted the Supervisor's request for this shipment.

Henry Chauvet of Glen Ellen is the recent purchaser of a fine new 1916 model Studebaker car and will join the rank of automobile enthusiasts of the Sonoma Valley.

Local High School Teams Figure Strong in League Schedule

Analy will Meet Local Tennis Champions---Basket Ball Contests Also Listed and Debate With Sebastopol is to be Held Here

With Dewitt Montgomery, principal of the Santa Rosa High School, presiding, the convention of the Sonoma, Napa and Salano Counties Athletic League met at the High School Saturday and mapped out its work for the coming year.

Armijo was chosen as the theater of this fall's track and field meet, which will be held there October 23. Sonoma put in a bid for the meet and the vote came to a tie between this place and Armijo.

Elect Officers

Dewitt Montgomery was re-elected president, Mr. Rathke of Napa was elected vice-president, and Mr. White of Cloverdale re-elected secretary and treasurer, all with unanimous voice.

Discontinue Hammer Throw

Javelin throwing will take the place of the hammer throw in the league.

This Year's Schedule

Napa and Vallejo are the only schools to attempt Rugby this year. The winning team will be declared champion.

October 30 is the date set for the tennis tournament, in which Analy will meet Sonama and Napa will meet Calistoga. The winners of each section will meet Petaluma if that school chooses to take up tennis this year.

The schools to engage in basketball will be Santa Rosa. Sonoma, St. Helena, Napa, Calistoga and Analy. W. W. Cleaves will arrange and have charge of the Napa Valley games and J. H. Duhring of Sonoma will be in charge of the games on this side of the valley. The winners of the two divisions will then meet. The semi finals will be held January 29, and the finals will be held February 12.

The schedule for the girls' basket ball was not made, but left to them to perfect.

Debating

With the adjournment of the atheletic section of the league, the debating section met and planned a schedule for the coming year. It is as follows:

Santa Rosa vs. Cloverdale, at Santa Rosa.

Calistogo vs. Aramijo, at Calistoga.

Sonoma vs. Analy, at Sonoma.

St. Helena vs. Napa, at St. Helena.

Dates will be arranged later by the secretary in such a manner that this will not conflict with the California State League events.

The championship for debating last year was awarded to Sonoma.

At present there is no trophy cup to be presented. Cloverdale won the latest cup twice and it is now that school's property.

According to a new ruling made on Saturday it will be neccessary for a school to win a cup three times before it becomes its permanent property.

In order to provide for the purchase of cups in the future each school will be required to pay a registration fee of one dollar. All schools will be assessed three dollars this year for the purchase of a cup to be awarded this year.

CHANGE IN THE METHODIST MINISTRY.

At the annual conference held in San Francisco Tuesday, the appointment of Rev. H. W. Waltz to fill the local pulpit of the Methodist Church was confirmed while Rev. Mr. Brown will take charge of the church at San Rafael.

Mr. Waltz and his family have been residing in Sonoma Valley for some time and reside on the ranch formerly owned by the Willets northeast of town.

Those who have heard him, praise his sermons highly and he will be a welcome addition to our local divines.

Case of Ptomaine Poisoning

Chas. Potter was taken violently ill the first of the week after a hearty meal, which included salmon. He was stricken in San Francisco where the fish was served to him and upon arriving home Dr. Gobar was called in and diagnosed the case as ptomaine poisoning. Although the patient was in a precarious condition for several days his wide circle of acquaintances will be glad to learn that under the care of Dr. Gobar he is rapidly recovering.

Undesirable Wayfarers Run in By Constable Murray.

Vigilant Officer Arrests Malefactors and Judge Small Does the Rest.

Constable Murray was kept busy the middle of the week ridding the town and suburbs of some undesirable citizens, who were menacing the peace and quiet of our community Wednesday

J. M. C. Burk, a member of a threshing crew, was arrested for driving a machine while intoxicated. He plead guilty and Judge Small fined him $25.

Ed. Churchill and Dan Henry, whom Burke accused of robbing him, plead guilty to the theft of a watch and coat and in accordance with the petty larceny charge his Honor sent them up for thirty days

An itinerant wayfarer named Wilson claiming "Maryland My "Maryland" as his home, was arrested by officer Murray at the Northwestern depot Wednesday and upon pleading guilty was presented with a ten days outing at the Bastile de Smith in Santa Rosa.

Some of the individuals picked up by Constable Murray and disposed of by Judge Small, are members of a hobo camp near town, which our peace officers have determined to break up

BLACK POINT CUT-OFF DISCUSSION

The conference between the supervisors of Napa Marin and Sonoma Counties and the Highway Commissioners has resulted in the determination that some binding agreement must be drawn up and signed by the Commission before Sonoma comes through with its 75,000 dollars and Marin with its share 35,000 The County rightly takes the stand that the work must be put through with more expedition and that the money must be put into actual construction. It is probable that District Attorney Lea will draw up an agreement providing that the money is to be paid in installments, and that the date of payment will depend upon the progress of the work.

IN THE JUSTICE COURT

Peter Lembeye plead guilty to shooting quail out of season one day this week and the Judge fined him $25.

A search warrant for one John Doe was issued this week by Judge Small for the recovery of lead pipe valued at $100, stolen from Agua Caliente Springs.

After a conference between Judge Small and assistant district attorney Hoyle, the charge of gambling against four Chinese was dismissed, the evidence not being sufficient to convict.

The California Telephone and Light Company has installed an attractive electric sign "Boyes Springs" on the Northwestern depot building at that place.

Millericks Will Compete in Rodeo at Fresno.

The Millerick brothers shipped thirty head of rodeo stock and six head of oxen this week to the Fiesta de Oro at Fresno and will be a feature of the Wild West show at the "big doings" in the southern county Sept. 28th to Oct. 2nd.

Their clever performances are known from one end of the state to the other and the outfit is continually in demand for thrilling entertainment of this character. After the Fresno engagement Tom Millerick will again compete in the ten mile relay race at the Exposition of which he was a former winner.

This big event is to be a drawing card at the Fair next month and after witnessing the former agile performance of the local horseman and his skill in riding, dismounting and changing the saddles on the ten horses along the course, his admirers are confident that he will be up to form and duplicate his previous victory.

Not Held to Answer for Kunde Death.

The charge of manslaughter brought against E. B. McCormick for the death of Wm. Kunde, who was killed near Santa Rosa in an unfortunate collision between the latter's motorcycle and the McCormick auto, was dismissed after a preliminary hearing before Justice Marvin Vaughn in Santa Rosa yesterday.

A special meeting was held by the city trustees Thursday night and permission given the Woman's Club to hold their civic social in the city hall and plaza; also permission to the Masons to build a new roof on their hall.

The Local Merchant and the Home Customer.

Every resident of a community takes pride in the stores and shops of which the home town boasts. We like to think of our own merchants as live wires handling up to date commodities. It is a great convenience and pleasure to be able to find the supply we demand in whatever line right at home. Sonoma as a community has demonstrated the fact that the local demand exists and is met by our merchants. We have good stores and up to date stock while the price is right. To keep this on the up grade, to encourage our local caterers in every line, to stimulate business and financial matters read the announcements of our advertisers.

The man who advertises puts himself on record as wishing to please and desiring "to deliver the goods"- He is the merchant who makes the effort to get the business and having gotten it aims to hold it and thereby makes a friend and booster of you.

The man who is indifferent, who does not advertise or try to create a demand and interest in his wares usually proves himself of unsatisfactory service if by any chance he is discovered.

Pin your faith and spend your money with the advertiser. The Index Tribune advertisers in Sonoma are the "comers."

Look around at the biggest local successes of recent years and think it over. They have advertised in this newspaper; their business has grown and they are continuing to expand because they are good business people. They get results in these columns. The newspaper produces the customer; the successful merchant holds them.

The foreign minister of England announces that all drugs will be permitted to be shipped from Germany to America. War is now a drug on the market. We suppose they wont admit that.

The 99 year old Oregonian who took out a license to hunt big game is game himself all the way through.

Launching the national wide womens sufferage campaign is all right as long as no Pankhursts rock the boat.

China Eggs are still coming in. They make good nest eggs.

Ceremonies attending the dedication of the Pacific end of the Lincoln Highway reminds us that Sonoma can have some celebration when that Black Point cut-off comes through. Think what a bunch of "honk honks" we can get together for such an occasion.

Because a wife is compelled to milk cows is no grounds for divorce so say the courts of Santa Clara county. The women get the cream of every thing so what's the kick?

Nature fakers have discovered a deer with a glass eye and another one with horns of plenty. The poor dears.

German Society Picnics at Oak Grove Resort.

One of the most enjoyable events of the season was the outing of the German Society from Petaluma at Oak Grove, the popular Sonoma Valley resort, of which Mr. and Mrs. H. Koerner are proprietors.

The Petatuma merry makers numbering about 175, came over in auto trucks and busses, arriving early for the gala day. School Improvements Being Rushed Along

Grammar School Making Notable Progress Toward Completion and Also High School Annex

Tax payers will rejoice at the present progress being made on our school buildings.

The $30,000 grammar school is receiving the final touches at the hands of the contractor and his corp of assistants. The latest plumbing and lighting fixtures are being installed and altogether it is a structure which should make the hearts of patrons, teachers and children swell with pride.

The teachers gave Miss Minnie Cook priority in the choice of class rooms, she having been on the teaching staff so long and put up with the present accomodations so cheerfully. Principal Prestwood gallantly gave her the choice.

Every class room however is splendidly designed while the lower floor with its manual training and domestic science accomodation and its commodious auditorium is all that could be desired.

The trustees of the High School are viewing with considerable satisfaction the progress on the annex for domestic science. Contractor Ralph Murphy is getting the building ready for plastering and for the plumbing, which is to be put in by J. G. Marcy.

The cooking department 18x30, will be a model of convenience and efficiency, while the sewing room 24x30 on the south side will be a charming rendevouz for the bevy of pretty school girls and their needles.

The approach to the structure has been built with a view of utilizing the slightly elevated portico with its pergola overhead for out of door entertainments and we may expect some delightful renditions ere long in this open air theatre with its leafy surroundings
